Additional notes: _____

As owner, or custodian acting in good faith, I give the above-described animal irrevocably to Illinois Doberman Rescue or whatever disposition Illinois Doberman Rescue Plus deems best. My signature waives any and all further rights of ownership to this animal. I understand that Illinois Doberman Rescue Plus has NO further obligation to inform me of this animal's final disposition or furnish me with any information on the new adoptive home of this animal. To my knowledge, no one has been bitten or scratched by this animal in the past fourteen (14) days. To my knowledge, the above answers are true and correct. I understand a give-up fee may be requested. None of the answers to the above questions will necessarily exclude any dog from being taken into our program. All of the members of our organization are volunteers and all of our dogs are "fostered" in private homes, which often include other dogs, both big and small, cats, other pets, children, etc. Being as truthful as possible enables us to place the dog in an appropriate foster home without endangering our volunteers.

Signed: _____ Date: _____

IDR+ suggests a \$25 cash give-up fee when an animal is surrendered to help pay for expenses. If you would like to donate more, any amount given to help offset the cost of the vet care, food, and boarding for your dog and the other orphans in the program is appreciated.

Give up amount: _____

Please fax back to 847-745-0471 or email to surrender@ILDobeRescue.com.

Be sure to include all the vet records for the dog with your surrender form so we do not have to redo any current vetting.
